

Health Information for the Public

Winter Haven Hospital Medical Health Information Library for the Public

Library Services

Winter Haven Hospital's Medical Health Library provides current and reliable health information to patients, families, and the public.

Your health care provider is your first source for information about your health. Through our library, you can learn more about your health and your family's health. This includes information about health conditions, treatment plans and medicines.

The library has a Research Information Specialist. He has been trained by the *National Library of Medicine* and the *Medical Library Association*. Researching trustworthy resources on the Internet is our business.

The Library has a FAX machine, a copier, and four Internet computers for your use. We also have WiFi access. Family members and the public are welcome to use our facility and its services for no charge.

Hours of Operation & Location

7:30 a.m. – 4:00 p.m.
Monday through Friday
(except major holidays)

The Library is located in the basement on the way to the Cafeteria.
