

The Mid-Florida Medical Services Foundation is pleased to announce that **more than \$547,000** in charitable donations were raised as a result of the **19th annual Winter Haven Hospital gala**. This year's event, held November 13, 2008 at Nora Mayo Hall, has been hailed as one of the best yet. In addition to the good time had by all, the 2008 contributions raised were a record amount!

On behalf of the Foundation and Winter Haven Hospital, we would like to express our sincere thanks to all of our 2008 gala supporters. Your investment in this important community initiative is of such great value to Winter Haven Hospital and the thousands of patients we serve.
