

# Thank You

## 2008 MID-FLORIDA MEDICAL SERVICES FOUNDATION ANNUAL FUND HONOR ROLL

The Mid-Florida Medical Services Foundation Board of Trustees would like to recognize and thank our 2008 Annual Fund supporters. Since its inception, our annual fund donors, comprised of Winter Haven Hospital medical staff, private individuals, regional corporate leaders, and Winter Haven Hospital employees, have raised over **\$1,350,000** to improve health care in East Polk county.

We are pleased to announce our **2008 Annual Fund has reached a total of \$372,200.** Funds raised by the "100 Holes of Golf" will be utilized to improve patient care at Winter Haven Hospital's nationally recognized Stroke Center. The remaining funds will purchase vital equipment and services for our patients.

Winter Haven Hospital's Annual Fund allows everyone, regardless of their economic status, to participate in improving health care locally. Every gift is important, no matter how large or small. We are grateful for the success of this year's Annual Fund and are already looking forward to enhancing our success in 2009.

With Warmest Thanks and Regards,

**Don Ingram, Chairman**  
Mid-Florida Medical Services Foundation
