

Winter Haven Hospital

Eighteenth Gala

The Mid-Florida Medical Services Foundation is pleased to announce that more than \$500,000 in charitable donations have been raised for Winter Haven Hospital's 18th annual gala, held November 15, 2007 at Nora Mayo Hall in Winter Haven.

The funds raised, a record amount, will help underwrite Winter Haven Hospital's, "Make Sure Your Heart is in the Right Place," major gifts campaign.

On behalf of the Foundation and Winter Haven Hospital, I would like to express our gratitude to our gala supporters this year. We thank you for your investment in this important community initiative which is of such great value to Winter Haven Hospital and the patients we serve.

Sincerely,

Don Ingram, Chairman
