The Winter Haven Hospital Foundation Board of Trustees would like to recognize and thank our 2010 Annual Fund supporters. Since its inception, our annual fund donors, comprised of Winter Haven Hospital medical staff, private individuals, regional corporate leaders, and Winter Haven Hospital employees, have raised over \$2 million to improve health care in East Polk county.

We are pleased to announce our 2010 Annual Fund has reached a total of \$350,000.

Funds raised by the "100 Holes Challenge" will be utilized to improve patient care at Winter Haven Hospital's nationally recognized Stroke Center. The remaining funds will purchase vital

equipment and services for Winter Haven Hospital patients.

Winter Haven Hospital's Annual Fund allows everyone, regardless of their economic status, to participate in improving health care locally. Every gift is important, no matter how large or modest. We are grateful for the success of this year's Annual Fund and wish to thank everyone for this year's outstanding outcome.

With Warmest Regards,

Eric Adamson, Chairman
 Winter Haven Hospital Foundation
